today's challenges*

HELPING MEET
TODAY'S CHALLENGES

Consult/Works

In response to community requests, CCRC has developed **Consult/Works** a one-stop office of experts to meet your consulting needs. Our goal is to assist community agencies, child care centers, family child care providers and Head Start programs in meeting today's challenges.

Consult/Works can assist you with large or small planning projects, reorganization, management or technology based needs.

Call **Consult/Works** today to design a customized plan for your organization!
